- *R. Aden, Yemen, has returned to SW [too late to include: Harald Kuhl, Germany hears V. of Arabs, Egypt, 9900//11980 at same time; but the Bulgarians reassert they hear Yemen]
- *Sa`udi Arabia heard on split 25m frequency
- *Israel broadcast heard on 80m band [later: Liangas says it was Galei Zahal, not Reshet Beth, and time was 2010 and afterwards]
- *Arab News Network, London, on satellite and internet: live audio and video at <http://www.ann-tv.com>
- *V. of Africa, Libya moves from 15 to 17 MHz clashing with others; times English monitored
- *V. of the People of the Somali Republic, Aydid`s station now on FM as well as SW; all Mogadishu stations do news at same time
- *Besides VON on new 41mb frequency, try Ibadan, Nigeria on 49m
- *Congo-Brazzaville`s Spanish news time varies; for Equatorial Guinea?
- *New SW transmitters for Mbandaka, Congo DR; and for Kinshasa
- *R. Ecclesia, Angola, gets new SW relay via RN Holland, Madagascar (recording); also webcast but not same program; listen at <http://www.netangola.com/e/pages/canal/radio/links/ecclesia.htm> and see backgrounder in RN Webzine, DXLD 00-93
